

Family Counseling Center offers the Prime for Life class at a significantly lower rate than most locations. We know the court and other costs related to receiving a DUI charge are already hefty. We want to help you, not make things more difficult. Our cost for the complete course is \$175.

The course is offered in four, 4-hour sessions for a total of sixteen hours. You must attend all four classes to receive your certificate of completion. We offer the complete course once per month.

Our instructor looks like your grandma, talks like your best friend, and has a sense of humor that will keep you engaged and entertained during the course. She has many years of experience teaching Prime for Life and previously worked in probation. She will keep you awake, teach you some useful information, but she won't put up with any...we'll say nonsense.

See below for upcoming courses:
